

SOUTHERN ILLINOIS READS Registration Form

The Carbondale Branch NAACP is participating in the Healing Illinois initiative of the Illinois Department of Human Services (IDHS), designed to encourage organizations across the state to begin, or continue, the work of racial healing.

Please note – the possible dates for book discussions have changed as the mandatory timeline for Illinois Heals has been extended to June, 2021.

You are invited to join in by reading and participating in a Zoom group discussion on one or more books. Books, which will be provided free of charge, will be available for pick up at the Carbondale and Marion Public Libraries.

The goal of SI READS is to promote dialogue and understanding that will educate participants on racial issues and empower them to take an active role in building quality community relationships, advancing racial understandings, and developing empathy for different perspectives and circumstances other than one’s own.
